LEITNER-POMA OF AMERICA, INC.

May 5, 2021

Mr. Jayson Faulkner
Cascade Skyline Mountain Park

Dear Jayson:

At Leitner Poma we have been working with the Cascade Skyline proponents for some time and we are so enthusiastic about the potential of this project, that we have offered financing terms for the gondola system to the proponents.

This is the only project in North America for which we are currently offering financing and is a testament to our belief that this project is of significant value to the community and has long term sustainability and viability.

We will not be offering such support to the Bridal Veil Mountain Resort project, a project promoted as a gondola/lift project in your area. We have not worked on the Bridal Veil Mountain Resort project.

Good luck in your planning and permitting process. Let us know if you need information from us to assist you in your planning process and we will be happy to supply it.

Best Regards,
